

Nancy Ryles Makerspace Donations Needed

We are in the process of having a Makerspace at Nancy Ryles. "What is a Makerspace?" you wonder.

Makerspaces provide hands-on, creative ways to encourage students to design, experiment, build and invent as they deeply engage in science, engineering and tinkering.

In order to fully set up and stock our Makerspace for our students, we are gathering any and all of the following items. We are looking for businesses/families willing to make donations. If you can help us out, we would be so appreciative!

Please bring the items in and give to Mrs. Sangston (office behind library circulation desk) or email Mrs. Sangston with leads on items at: andrea_sangston@beaverton.k12.or.us

Thank you so much for your help making this an exciting, creative, inventive space to inspire our students!

** Electronic Parts and Tools	Craft and Art Supplies	Building Materials and Tools	Recycling	Other
*flat screen monitors *keyboards buzzers batteries wire copper foil tape wire cutter LED lights wires with alligator clips 3D printers *Computers	glue guns glue sticks felt fabric card stock foam sheets pipe cleaners rubber bands brads string fishing line velcro colorful tape duct tape wooden dowels cotton Balls Q tips popsicle sticks toothpicks stickers	pliers clippers scissors hammers measuring tapes screwdrivers wood pieces nails Drill Screws Bolts Nuts washers straws hinges	clean cans cardboard paper tubes cups corks shoe boxes	legos Lego Mindstorms Lego Plates K'nex Cubelets Playdoh Little Bits Makey Makeys Goldie Blox Qubits Engino Ozobot Keva Structures

**If you have any of the items with an asterisk in the Electronic Parts and Tools category, please let us know prior to donating!!

Thank you for your support of our students!!
